

(5) Not incur financial obligations, or to suspend payments for one or more activities;

(6) Reimburse, from non-HUD sources, one or more program accounts for any amounts improperly expended;

(7) Submit to an alternative management strategy which may involve third-party oversight or administration of the modernization function; and

(8) Take such other corrective actions HUD determines appropriate to correct PHA deficiencies.

(f) *Failure to take corrective action.* In cases where HUD has ordered corrective action and the PHA has failed to take the required actions within a reasonable time, as specified by HUD, HUD may take one or more of the following steps:

(1) Withhold some or all of the PHA's grant;

(2) Declare a breach of the ACC grant amendment with respect to some or all of the PHA's functions; or

(3) Any other sanction authorized by law or regulation.

(g) *Reallocation of funds that have been withheld.* Where HUD has withheld for a prescribed period of time some or all of a PHA's annual grant, HUD may reallocate such amounts to other PHAs/IHAs under the CGP program, subject to approval in appropriations acts. The reallocation shall be made to IHAs which HUD has determined to be administratively capable under §950.135, and to PHAs under the CGP program which are not designated as either troubled or mod troubled under the PHMAP at 24 CFR part 901, based upon the relative needs of these IHAs and PHAs, as determined under the formula at §968.103(e) and (f).

(h) *Right to appeal.* Before withholding some or all of the PHA's annual grant, declaring a breach of the ACC grant amendment, or reallocating funds that have been withheld, HUD will notify the PHA and give it an opportunity, within a prescribed period of time, to present to the Assistant Secretary for Public and Indian Housing any arguments or additional facts and data concerning the proposed action.

(i) *Notification of residents.* The PHA's Board of Commissioners must notify affected residents of HUD's final determination to withhold funds, declare a

breach of the ACC grant amendment, or reallocate funds, as well as the basis for, and the consequences resulting from, such a determination.

(j) *Recapture.* In addition, HUD may recapture for good cause any grant amounts previously provided to an PHA, based upon a determination that the PHA has failed to comply with the requirements of the CGP program. Before recapturing any grant amounts, HUD will notify the PHA and give it an opportunity to appeal in accordance with paragraph (h) of this section. Any reallocation of recaptured amounts will be reallocated in accordance with paragraph (g) of this section. The PHA's board of Commissioners must notify affected residents of HUD's final determination to recapture any funds.

(k) *Cumulative remedies.* The authority to condition, withhold, reallocate or recapture a PHA's grant, as provided in this section, is in addition to the authority contained in §968.310(c) to reduce a PHA's formula allocation based upon its designation as a mod troubled PHA.

§ 968.425 HUD review of grantee performance.

(a) *Performance reviews.* HUD shall carry out such reviews of the performance of each funded PHA as may be necessary or appropriate to determine compliance with the PHA's vacancy reduction plan and related HUD requirements. In these reviews HUD will determine whether the PHA has:

(1) Carried out its vacancy reduction activities in a timely manner and in accordance with its vacancy reduction plan;

(c) *Corrective action order.* (1) *Issuance.* If HUD finds any of the deficiencies listed in paragraph (c)(3) of this section in its review of the grantee's performance, HUD may issue to the grantee a corrective action order, whether or not a notice of deficiency has previously been issued on the specific deficiency. The corrective action order shall notify the grantee of the specific program requirements that the grantee has violated and shall specify the corrective action.

(2) *Consultation with grantee.* Before ordering corrective action, HUD will give the grantee an opportunity to consult with HUD regarding the proposed action.

(3) *Bases for corrective action.* HUD may order a grantee to take corrective action only if HUD determines:

(i) The grantee has not submitted a performance report as required by HUD;

(ii) The grantee has not carried out activities under its vacancy reduction program in a timely manner and in accordance with HUD requirements;

(iii) The grantee does not have continuing capacity to carry out activities in its vacancy reduction plan; or

(iv) An audit conducted in accordance with 24 CFR part 44, or pursuant to other HUD reviews, reveals deficiencies that HUD reasonably believes require corrective action.

(d) *Nature of corrective action.* (1) HUD shall design corrective action to prevent a continuation or recurrence of the same or a similar deficiency or to mitigate to the greatest extent feasible any adverse effects of the deficiency.
